No Child Present Waiver Guidance

Effective Immediately

Sharyland ISD Community,

We appreciate your patience as we do our best to provide continued meal service while following all federal, state and local regulations. TDA has authorized “No Child Present Meal Flexibility”. We will be able to provide meals to parents without their children present. We have adopted a process that will allow us to provide meals but certain conditions **must** be met before we can provide them so please review the conditions provided below.

Parents exercising this option must be prepared to present **one** of the following **each** time; for each **child** they intend to pick up meals. In order to meet social distancing requirements, the parent would have to display this to our staff with their window rolled up during curbside pick-up.

- Birth certificate
- Individual student report cards
- Student ID cards

Important Notice: Parents may not pick up meals for other children not in their household
