

Update as of 3/16/20 - As per the UIL!

All Practices and Athletic Competitions are postponed until March 29th, 2020, effective immediately. No weight-room or any other athletic facility can be opened. This includes batting cages, practice fields, game fields, etc. If we return to school next Monday March 23rd, 2020, then we will be allowed to practice during the school day athletic period (only) but there will be no after school practice or athletic contests until March 29th or until further notice. Thank you in advance for your continued support and flexibility regarding this evolving situation.

Please Note: Our school security company has been notified to not allow any students or outside groups to use batting cages, practice fields, etc. during this time period.
